Things to bring/reminders:

- **Food and/or money:** snacks, lunch and dinner and/or money for food and beverages. Due to transportation schedule the bus will only be stopping for scheduled restroom breaks.
- **Cell phones:** Students will need to be accessible and able to check-in by calling/texting TLC staff via a cell phone. If your student has a cell phone or can use one for the day, we ask that they bring it with them. If your student does not have a cell phone, we ask that they stay with a friend that does.
- Please note we have a large group attending this field trip (approx. 100 people and 2 buses) so we have an early check-in time to get everyone signed in, board the buses and leave at the scheduled time.
- Please be on time for departure, meeting and leaving the event. Due to state and federal bus regulations required for safety we have to maintain the designated schedule. Students/guests that miss the bus will be required to provide their own transportation to be picked up and will not receive a refund. We appreciate your assistance.

- Personal belongings can be carried with students or lockers are available to rent at the parks. Student belongings can be left on the bus but won't be accessible during the event and are not secured.
