

ALERT-Knott's Berry Farm Postponed (Canceled for 1/14/19) due to weather

Due to inclement weather forecast in Buena Park on Monday, January 14 we've decided to **reschedule the field trip to Monday, February 11**. The good news is that the park is open later on this date until 8:00 pm. If you are not able to attend on this date the tickets will be valid any date through April 30, 2019. We hope you will join us on the school-wide field trip date so that TLC families and teens are together in the park on the same date. Please note teen club field trip tickets will not be pre-issued.

Any family that would still like to attend on Monday can pick-up their tickets from the events department at the La Mesa Resource Center administrative office (4215 Spring St. Ste. 221, La Mesa, CA 91941) on Friday. Please note that Knott's Berry Farm has indicated that a call regarding park closure will not be made until Monday morning and could change depending on the weather throughout the day. Please note that Knott's Berry Farm does not offer rain checks and once you enter the park even if only for a few hours the ticket is no longer valid for a different day. Please email events@learningchoice.org to indicate that you will be picking up your tickets on Friday.

Families that will be using their tickets on an alternate date are able to pick them up at their resource center beginning Tuesday, January 15. Please note that tickets are the same as cash and cannot be replaced if lost or stolen. When picking up your tickets, please be sure to open the sealed envelope and count the tickets before signing for them.

We apologize for any inconvenience and appreciate your understanding. We want to ensure that the field trip is safe and fun for everyone attending.
