

# K-5 Full Day Information

## 1. **Complete registration form.**

Please be sure to indicate on the **registration form** student's grade level grouping in which he/she will be participating and the location at which the class will be held. Please also specify whether your child will be attending Full Day or A La Carte classes.

Please note: Once a student is enrolled in this program, it is assumed that he or she will participate in the program for the length of the semester. Extended units will be subtracted each month for the class (Fall: October-January or Spring: March-June).

## 2. **Return the Registration form** via mail, fax, on-line or in person to your local resource center.

### **Enrollment Timeline**

Registration paperwork is available at the end of each full day session for the next session. Priority deadline for Choice students is two weeks prior to classes starting.

### **Priority Placement**

Students choosing the Full Day option versus a la carte class have priority in classes. Choice homeschooling students will have priority over AIM students. Please keep in mind Fall students receive priority enrollment for the Spring session.

### **Schedule**

Time: 10:00 am - 2:30 pm

Days:

**Chula Vista**-Thursdays, **La Mesa**-Fridays, **Temecula**-Wednesdays and Fridays.

A detailed class schedule that specifies first and last day of class, school holidays and breaks, and individual class times is available on TLC's website.

Reminder:

All students should bring a water bottle and those enrolled in Full Day class should bring a sack lunch.

*Questions regarding Full Day may be directed to your Educational Partner.*
