

FULL DAY – A LA CARTE CLASS OPTION

The Learning Choice Academy has coordinated a schedule of educational opportunities for students to experience a more traditional day of school. The Full Day choice offers students the option to attend a weekly classroom setting within the homeschool environment. Many thoughtful hours of planning and coordination have been dedicated to schedule a full day of classes that integrate academics with quality enrichment classes. We recognize that not all students may desire the entire Full Day schedule; therefore we offer the possibility for students to enroll in just the Morning session, or just the Afternoon session. If room allows, student may have the ability to enroll in single courses.

Select Individual classes by checking the appropriate box:

Check	Session - Chula Vista, La Mesa	Units
	Art	30
	STEAM Lab	30
	Photography	30
	Theatre	30
