## TLC Temecula Resource Center 2018-2019 MS/HS Onsite Study Group Orientation

Welcome to the 2018-2019 school year at The Learning Choice Academy Temecula Resource Center! We are thrilled to welcome back our returning families and to meet all of our new students and parents. With the school year officially starting on Monday, August 27<sup>th</sup>, you should receive communication from your Educational Partner during the last two weeks of August to set up your Learning Period 1 meeting.

**Please join us on Tuesday, August 28<sup>th</sup> from 10:00 AM – 11:30 AM for our MS/HS Onsite Study Group Orientation.** During this time parents and students will be able to tour our school facility and meet their children's teachers. Teachers will share important information such as assignment pacing guides, first week of homework assignments, course curriculum, course syllabi, and teacher contact information. This is a great opportunity to learn how to prepare for the first day of school as well as how to connect with teachers throughout the year.

If you are unable to attend the open house, please contact your child's Educational Partner to receive handouts to help your child prepare for the new school year. We will also share out orientation resources with all parents electronically.

Looking forward to an amazing school year!
