

Learning Choice Academy - Chula Vista

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Debi Gooding, Executive Director

 Principal, Learning Choice Academy - Chula Vista

About Our School

The Learning Choice Academy Chula Vista (TLC-CV) is a California charter school dedicated to assisting parents who school their children in grades kindergarten through 12 at home.

TLC-CV Academy's mission is to empower students to reach their full potential by providing choice in education within collaborative triads of parents, students, and school.

TLC-CV provides books and instructional materials, a certificated teacher to work in partnership with parents, special student allowances for enrichment classes, field trips, and other activities, including science labs, math labs, a full day of optional student classes, as well as a wide variety of other educational services. Special activities are planned that offer opportunities for students and their families to meet and participate in fun activities that provide both educational and social benefits. Some of these school activities include monthly schoolwide assemblies, field trips, Project Showcase, a spelling bee, and a countywide Community Field Day.

English Learners	0.0 %
Students with Disabilities	0.0 %
Foster Youth	0.0 %

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2016—17	School 2017—18	School 2018—19	District 2018—19
With Full Credential	0	0	20	
Without Full Credential	0	0	0	
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	

Last updated: 1/18/2019

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016—17	2017—18	2018—19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

TLC-CV Academy considers the physical appearance and safety of its school very important. TLC-CV provides a quiet space where parent, student, and educational partners can meet, as well as additional spaces for families to relax together as they wait. TLC-CV facilities comply with the Americans with Disabilities Act. Classrooms are provided for student instruction, committee meetings, and other group gatherings.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/18/2019

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017—18)

CAASPP Assessment Results – English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three Through Eight and Grade Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students				
Male				
Female				
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino				
Native Hawaiian or Pacific Islander				
White				
Two or More Races				
Socioeconomically Disadvantaged				
English Learners				
Students with Disabilities				
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight and High School Percentage of Students Meeting or Exceeding the State Standard

Html.RenderAction("SarcDescription", new { sectionID = 80, cdscode = ViewBag.Cdscode });

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (grades 5, 8, and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Last updated: 1/18/2019

Career Technical Education (CTE) Participation (School Year 2017–18)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	0
Percent of Pupils Completing a CTE Program and Earning a High School Diploma	0.0%
Percent of CTE Courses Sequenced or Articulated Between the School and Institutions of Postsecondary Education	0.0%

Last updated: 1/18/2019

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	0.0%
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0%

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2017—18)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
-------------	--	--	---

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/18/2019

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Parents and other relatives are encouraged and welcomed to become involved in the formal education of their children. Educational research validates that support at home is critical to a child's academic success. There are many opportunities to be involved at their children's school site, including: governance committees, special events, fundraising events, parent organizations, in classrooms, and at the district level by participating in cluster councils, district advisory councils/committees, and special events.

Parents are encouraged to support their children at home by making their expectations about school clear and creating a positive learning environment at home.

We are committed to communicating with and engaging parents as partners in their children's education. We are also committed to obtaining community resources for our school and invite all members of our community to assist us in the education of our students. Parents have many opportunities to be involved at their children's school site (i.e., advisory committees, special events, fund raising events, parent organizations, and in classrooms). We encourage parents to support their children at home by making their expectations about school clear and creating a positive homework and learning environment.

If you want to get involved, please contact Renee Olmeda at events@learningchoice.org or (619) 463-6845.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2014—15	School 2015—16	District 2014—15	District 2015—16	State 2014—15	State 2015—16
Dropout Rate	0.0%	0.0%	--	--	10.7%	9.7%
Graduation Rate	0.0%	0.0%	--	--	82.3%	83.8%

Indicator	School 2016—17	District 2016—17	State 2016—17
Dropout Rate	0.0%	3.1%	9.1%
Graduation Rate	0.0%	--	82.7%

For the formula to calculate the 2016—17 adjusted cohort graduation rate, see the 2017—18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

School Safety Plan (School Year 2018—19)

The Comprehensive School Safety Plan is revised and reviewed with staff each year. The plan includes all procedures and standards for drills, first aid, and evacuations as well as guidelines for a safe & orderly environment. TLC-CV assigns Incident Command Team roles for staff in the event of an emergency. All staff participate in yearly training for Child Abuse Reporting and bi-yearly certification for CPR and First-Aid.

Professional Development

Teachers and staff build teaching skills and concepts through participation in conferences, workshops, and grade level collaboration throughout the year. TLC-CV has already offered countless professional development opportunities where teachers are offered a broad based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Teachers also have the opportunity to participate in multi-day professional development throughout the school year. Some topics for staff development this year included:

- Professional Learning Communities (PLCs)
- Common Core Implementation
- Instruction strategies to Maximize Student Learning
- Direct Instruction- English Language Learners Common Core Focus
- Developmental English Proficiency
- English Language Development
- Bullying Prevention
- Mathematics Strategies
- Smarter Balanced Assessment
- Leadership
- LCFF/LCAP
- WASC
- Career Technology
